GRANDBABY-CAKES.COM

SWEET START Jocelyn Delk Adams, the blogger behind Grandbaby Cakes, was bitten by the baking bug at a young age. She grew up cooking with her grandmother, mom, and aunts, and now she uses the skills she picked up from them to share recipes inspired by her grandmother's dishes.

RECIPE REDOS Jocelyn shares her heritage and modern twists on recipes that have been passed down through her family. Favorites include her grandmother's classic biscuits updated with the addition of cheese and garlic and a pound cake that's been given the cinnamon roll treatment.

MUST-HAVE INGREDIENTS

In-season fruits have a big impact on what Jocelyn creates, so peaches are a summertime staple. And vanilla makes an appearance often.

TRY IT OUT Jocelyn is a new contributor to our BHG Delish Dish food blog. Check out DelishDish.com to see how she puts her spin on classic recipes, as she does with a decadent Strawberry Shortcake Tiramisu. ■
